To keep both our staff and customers safe, our branches will be operating on an appointment only basis this summer.

To help schools and their parents we have allocated a recommended appointment window for your school, which is **Monday 27th July until Sunday 22nd August.**

Please, where possible, book during this window. Our online store will be operating as normal but we highly recommend new starters visit our branch.

Please register at www.stevensons.co.uk and you will be notified via email when the appointments will be live for you to book.

Keeping you updated

With the current lockdown, retail restrictions and social distancing likely to have a significant impact in the flow of customers through our retail branches over the summer, we are having to revise our operations to maintain a smooth customer service experience. So we can update you on these changes it is important that we ask you register on our website so we can communicate these once we are in a position to reopen.

Unrivalled 120 day returns policy

Our industry-leading 120 day returns policy means you can purchase now with confidence, even if your child has a sudden growth spurt before the start of school.
