

Thursday 4th February- We hope this finds you all well and that you will find these suggestions helpful. Please feel free to adapt or extend them as you see fit.

Learning intentions: I am learning to listen to a story. I am learning to answer questions based on the story I've listened to. I am learning to spell magic e words.

Success criteria: * I can listen to and follow the story as it's being read aloud. I can answer questions about the story. I know the magic e rule.

Learning intentions: I am learning to find the total amount spent.

Success criteria: *I can add the prices of items together to find the total amount spent.

Learning Intention: I am learning about the animals that live in the Arctic.

Success criteria: I can listen to the facts in the video. I can answer questions about information in the video.

Literacy Teams Task – Listen to the story 'The Tiger Who Came to Tea', read aloud by Miss Murchison. Click here to access the story <https://vimeo.com/507887565/ddd18ef272>

After listening to the story, try and complete the quiz in the Teams assignment. You can re-listen to the story if you are unsure of any of the answers.

Magic e with 'u' warm up – Ask an adult to help you read and write the magic e key words and sentences on the next slide **or** click on the link to join in with Mrs Knust. You will need a pencil and paper or a whiteboard and pen to play the game. <https://vimeo.com/507219709>

Spelling: Sahara desert snake challenge – Can you create a Sahara desert snake and then write your 'magic e with u' words on it? You could attach it to a straw or pencil and use it as a puppet! Or you can make a magic e with u horned viper snake with Miss Murchison by clicking here. <https://vimeo.com/507983899/5d47cd633b>

Maths: Warm up – Can you help Mrs Knust with her problem in the shop? Play along with the maths warm up game. You can click on the link to play along - <https://vimeo.com/508074309>

Follow Up Activity – Can you work out how much each teacher is going to spend at the supermarket? You will need to find the prices of the items that are on their list and add them together to find the total cost.

Reminder – Have you finished the money challenge on Sumdog? Why not spend some time finishing the challenge and practising your maths on Sumdog.

Art – Desert Scene -This week we have been looking at Hot Lands and one that is very hot is the Sahara Desert. It is known for its endless sand dunes and is the largest hot desert in the world! You can watch a bird's eye view of the Sahara Desert here: <https://www.youtube.com/watch?v=TaInivizEQ>

Follow up idea - Can you create your own desert scene? You could use different coloured paper, coloured pencils, paint, pastels or anything you have in the house! You could even add a desert animal. You can watch an example being made by watching this clip - <https://vimeo.com/507900746/49e036b881>

Tricky words-

old little most

pure

tune

Key Sentences

Can you read these sentences to an adult? We have highlighted the digraph, blends and magic e words to help.

Ted takes the little brown pup and shows it to Mike. Mike likes the pup but wants to see the others.

The other two pups are black. One of them has a white nose. Mike would like to keep this one most of all.

Mike is ten years old. He is a big boy and can take care of his new pup. He will name him Spike.
