

# Tuesday 16<sup>th</sup> February

Learning intentions: I am learning about desert animals. I am learning to research and gather facts, I am learning to create a fact file. I am learning about how magic e changes the sound of vowels.

Success criteria:- I can choose one desert animal and draw a picture of it. I can find facts about this animal, I can make the fact file bright and colourful. I understand the magic e rule.

Learning intentions: I am revising ordering coins from smallest to largest value. I am revising adding coins together to find the total amount.

Success criteria: I can order coins. I can select coins to pay for items. I can add money together. I can use my add and take away skills to solve challenges.

Learning intentions: I am learning about Shrove Tuesday.

Success criteria: \*I understand why some people celebrate Shrove Tuesday. I understand some of the different ways that Shrove Tuesday is celebrated in the UK. I can design a pancake.

**Literacy: Desert Animal Fact File**- Take a look at the task with Mrs Bowes - <https://vimeo.com/512658824/11a2644268>

Pick a desert animal that you would like to research for your fact file. We have made a list of animals to help you, but feel free to choose your own. You could ask an adult to help you search for a book on the Epic website (or app) or use a search engine to find information from the internet.

Book search – <https://www.getepic.com/app/> classroom code - dgw0188

**Fact file**-Create a simple fact file with interesting information about the animal you have picked.

Start by drawing a picture of it, find out what the animal eats, which desert it lives in or if it has any special abilities that help it survive in the Desert.

**Mild** – Write 3 interesting facts about your chosen animal.

**Hot** – Write 4 interesting facts about your chosen animal.

**Spicy** – Write 5 or more interesting facts about your chosen animal.

Remember to make your fact file eye-catching by making it colourful and adding some pictures.

**Spelling:** This week we are focusing on how magic e changes the sound of 'e'. Watch this video to remind yourself of how magic e changes the sound of the vowels (a, e, i, o, u). <https://www.youtube.com/watch?v=mnanlcyRuul>

- Desert Animals**
- Camel
  - Scorpion
  - Rattlesnake
  - Fennec Foxes
  - Meerkat
  - Thorny Devil Lizard

**Maths:** Warm up game – For today's warm up we are going to revise our ordering of coins and adding coins together to find the total amount. Can you help Miss Murchison's shop customers find the correct coins to pay for different items? You will need either a piece of paper and a pencil, or a whiteboard and pen, to help you. When you are ready click on the link to join in with Miss Murchison: <https://vimeo.com/512582117/c9ca6b78bc>

**Follow up money game** – Click on the link to play this Top Marks 'Toy Shop' themed game and use your money skills to pay for items: <https://www.topmarks.co.uk/money/toy-shop-money>  
You can play with single coins or mixed coins to provide more challenge.

**Activity:** Now use your addition and subtraction skills to answer the number challenges on the next slide. You can note down your answers on some paper to avoid printing.

**Across the curriculum – Shrove Tuesday** - Today is Shrove Tuesday, also known as Pancake Day. We have saved a Power Point (and pdf version) in this week's learning folder in teams (see files). It explains why some people celebrate this and the different ways it is celebrated across the UK. <https://vimeo.com/512675006/27983ed683>

**Extension idea – Dream Pancake Design** – Can you draw your dream pancake and add the toppings to the pictures by drawing what you would like best. Are you going to add some strawberries or some jam? You can add labels and share your yummy pancake designs with us on Teams.
