# Sounds of the English Alphabet

## Portuguese/Português

## INSTRUÇÕES PARA PAIS E CUIDADORES EM COMO UTILIZAR ESTE RECURSO ÁUDIO COM O SEU FILHO

### Introdução - Faixa 1

Aprender os sons das letras irá ajudar o seu filho a ler e escrever. Os ficheiros áudio não ensinam os nomes das letras. Por exemplo, dizemos "a" em vez de "ei".

Procure utilizar este recurso numa área sossegada.

Sentem-se lado a lado por forma a que ambos consigam ver o livro ou o écran enquanto escutam o áudio.

Existe uma página por cada uma das 26 letras do alfabeto.

Ao olhar para cada página irá ouvir o som da letra.

Irá ver imagens de coisas cujos nomes começam com aquele som.

Escute o som e depois repita-o com o seu filho.

Faça uma pausa aqui.

Permita que o seu filho trace sobre a letra, começando no ponto e seguindo depois as setas. Repita o som e os nomes das imagens.

Inicie o ficheiro áudio e escute o som e as palavras de novo.

É também útil falar acerca das imagens, se você e o seu filho quiserem.

Certifique-se de que o seu filho se encontra preparado para passar ao próximo som.

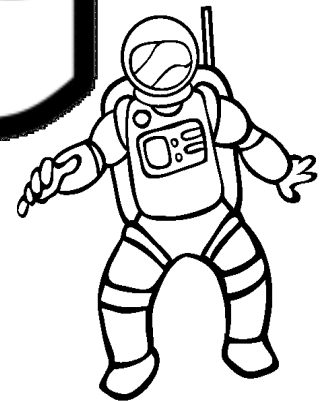

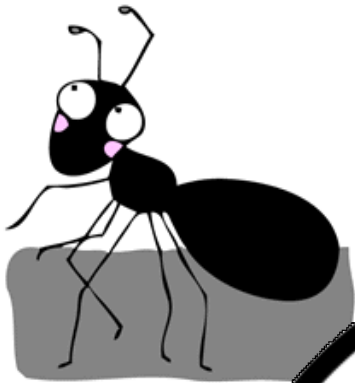

Não é de esperar que escute todos os ficheiros áudio cada vez que utilizar este recurso. Será melhor escutar pouco de cada vez mas com frequência.

*Esperamos que gostem de utilizar este recurso juntos.*
